Deltona Hits Milestone with Neighborhood Stabilization Program

July 6, 2011— The City of Deltona has reached the 40 percent mark, with respect to City-owned houses sold under the Neighborhood Stabilization Program (NSP).

Twelve homes are already in the hands of new owners and another 11 homes are in the final stages of purchase under this first round of NSP. The remaining 30 homes are available for sale, and can be seen on the City's Web site, www.deltonafl.gov and on DeltonaTV (Bright House Channel199).

In 2009, the City of Deltona received a 6.6 million dollar grant and acquired 53 houses, and received an additional 1.96 million dollars to continue with the NSP. To date, 47 of these structures have been rehabilitated. The City is one of 48 communities throughout the State of Florida to receive Neighborhood Stabilization Program (NSP-1) funds.

Down payment assistance is available for qualified applicants. To participate or purchase a house through the Neighborhood Stabilization Program, please contact Mid-Florida Housing at (386) 274-4441 to begin the application process.
